

Institutional Distinctiveness

The college, as an educational institution has a vision “Enlighten through education”, envisaged by the great visionary and Father of Kerala Renaissance Sree Narayana Guru. From its inception in 1964 itself, the college has established its distinctive approach towards this comprehensive vision by following Guru Dharma. The college which locates in the suburbs of Sivagiri Hills, strives to impart quality education and equip the students of the rural area to cope with the latest requirements through innovative teaching techniques and practices. We are convinced that giving proper education is the major avenue for the upliftment of youth who are economically and socially backward. The college cater to this need irrespective of religion, caste and creed by following the doctrine of Guru “One Caste, One Religion and One God for Man”. We have strong alumni which exemplify Guru’s teaching “Strength through Organisation”. The alumni which spread all over the world, showcase the human capital the college produced to various fields over years.
