Best Practices

1. SahapaadikkoruVeedu- It is one of most important humanitarian activities organized by our college where the college selects the student who is most economically backward without having a house to sleep on.The college builds a house everyyear with the funds raised from students, PTA and staff members.
2. Mid day meal programme- the aim of this practice is to provide free noon meal to those students from poor family background.it is an initiative of the Alumni of the ollege,the aim is to develop the sharing and caring of students among each other. It helps to achieve one of the main objectives of the college,to make a "Hunger Free Campus".
3. The College conductsSeminar Series "Trendz" everyyear.This is a multi disciplinary seminar series which provide a platform for students and teachers of various disciplines to present papers and interact with subject experts and share their knowledgeoneanother.The aim is to make students and teachers aware of the latest developments in social sciences and science disciplines.
4. Research Essence- The college publishes a research journal with ISSN number 2348-2389 and New letter uninterruptedly every year.
5. Provision for clean drinking water- The college has ample facilities in each floor to render drinking water facilities to the students.
