A meeting of Parents - Teachers Association for
S₃ Bk C₃ chemistry students was held on
10th Nov at 10.00 am in S₃ Bk C₃ class room.
Principal, all teachers, students of S₃ chemistry and
parents participated in the meeting. The meeting was
presided by our principal Mr. K.C. Praetia in her
presidential address. She addressed the parents and students.

The main agenda was the discussion about the Third Semester internal marks and how to improve the result using remedial classes. Principal stressed the importance of punctuality, respect and discipline. Parents are fully supported by what principals and teachers said. Teachers discussed the progressions of each student individually with their parents. They shared their children's problems.

National Seminar on Recent Trends in Energy and Environment-2022 (NSREE-2K22)

About our College

Sree Narayana College, Sivagiri, Varkala was founded in 1964 in memory of the great social reformer Sree Narayana Guru, who believed in "Liberation Through Education and Strength through Organisation". The college, managed by the S.N Trusts, Kollam, is re-accredited by NAAC with B++ grade in 2021. It is one of the leading institutions in the state. The Post Graduate Department of Physics has been offering BSc Physics since 1967 and MSc Physics since 1995. Many eminent Professors and teachers have been part of this department.

About the Seminar

Post Graduate Department of Physics, Sree Narayana College, Sivagiri, Varkala is organizing a two-day National Seminar on Recent Trends in Energy and Environment-2022 (NSREE-2K22) in association with KSCSTE on 8th & 9th December 2022. The theme of the conference is "Energy and environment security through science and technology". The two days national seminar will take review of the existing strategies and address the development of new and emerging materials, technologies and applications in energy and environment industries. Furthermore, it is expected that the NSREE-2K22 will provide an exclusive opportunity for intellectually stimulating and engaging interactions amongst the leading scientists, academicians and engineers. Such interactions will facilitate better understanding about technological developments all across the globe amongst the peers. This seminar will certainly ignite the minds of researchers for understanding more interdisciplinary collaborative research for upgradation of technology.

“Trendz” Seminar Series 2022-2023

The Trendz Seminar Series 2022-23 started on 14 November 2022 with a focal theme “(Re)forming Knowledge: Reaching the Unreached”. The seminar series is organized to commemorate the 50th death anniversary of our founder manager Sri R Sankar. In this seminar series students from each department is given opportunity to give presentations on their topic of interest before the audience

What Our Students Say

TRENDZ gives exposure to new realms of knowledge and creates a multidisciplinary outlook in learning and research-Roopak S. (Research scholar)

TRENDZ provides opportunity for exchange of ideas, group interactions and paper presentations - Krishnanjali S. (III Semester, History)

TRENDZ helps me to understand new developments in my area and the various career prospects as well-Pallavi Mohan (III Semester MSc. Chemistry)

About TRENDZ

Sree Narayana College, Varkala organizes TRENDZ seminar series every year as a platform to disseminate knowledge and empower youth. This is one of the best practices of our college intended to commemorate our Founder Manager Sri R. Sankar, who spearheaded the establishment of SN colleges in Kerala

Practice

The college organizes the five day TRENDZ seminar series with a focal theme relevant to respective years. The seminar series is organized jointly by Management, IQAC, staff, students and PTA. The five PG and the six UG departments of the college conduct lectures in their respective areas.

1. P G Department of Physics, S N College, Sivagiri, Varkala organized a one-day Institutional visit to to **Kudankulam nuclear power plant**, under construction by NPCIL located in Tirunelveli district,Tamilnadu on **11th January 2023**.

2.Lab Visit to CTCRI Sreekaryam on 24th November 2022

Department of Chemistry organized a lab visit to one of the reputed institutions, Central Tuber Crops Research Institute located at Sreekaryam. The visit was for III Sem B.Sc Chemistry students. Three teachers accompanied the students were Smt.Saritha S.J, Smt. Lija P Lekshmanan and Smt.Lekshmi S. Dharan.

Dr. V. Ramesh Explaining about Various Projects in CTCRI

Dr. A.N. Jyothi Explaining the Functioning of Spectrophotometer

- PG Department of Chemistry conducted DBT Star Scheme Supported industrial visit to **Central Laboratory for Instrumentation and Facilitation, CLIF, Thiruvananthapuram on 24th November 2022**. There are number of instruments such as NMR, UV-Visible spectrophotometer, TG/ DTA, Liquid Chromatography, CHNS Elemental Analyser, AFM, SEM, DSC, XRF, XPS, LCMS, BET Surface Area Analyser, High performance Thin Layer Chromatography, DNA Sequencer, LCMS, SEM EDAX etc. Through this visit the students got an awareness about these instruments and the importance of these instruments in Chemistry.

Liquid Chromatography Mass Spectrometry

X-Ray Fluorescence Spectrometer

- The PG Department of Chemistry, Sree Narayana College, Sivagiri, Varkala Organized a DBT star scheme supported **Industrial visit to coffee factory on 13-01-2023**. The team consists of 35 students from 3 BSc Chemistry with faculty member Smt. Shibitha Thampi R S.

4. The PG Department of Chemistry, Sree Narayana College, Sivagiri, Varkala organized a DBT star scheme supported industrial visit to **Vikram Sarabai Space Research and Rocket Launching Center, Indian Space Research Organization, Thumba, Trivandrum on 18-01-2023**. It was a one day industrial visit. The team consists of 34 students from I BSc Chemistry with two faculty members, Dr. ReshmaR and Smt. Induja P.

6. Department of Botany, Sree Narayana College, Sivagiri, Varkala organized a one day institutional visit on 22/11/2022 for I BSc Botany to **Dept. of Botany, University of Kerala**.

Six students from first semester B.Sc Zoology attended the class. Important portions and tough portions were discussed in the class. The class was from 3.30 to 4.30 pm.

Remedial Class Report- 2022-23 of Department of Mathematics

The Department of Mathematics has a systematic mechanism to offer Remedial classes for BSc Mathematics students in all semesters. A timetable is followed in the Department for remedial class with adequate flexibility to cater to the needs of students regarding time of class. The students are selected on the basis of marks of internal examination and request of students. In the academic year 2022-23 the following students have been offered remedial classes in various subjects for different semesters.

	9.00-9.30	3.30-4.00
Monday	III DC(Real Analysis)	I DC
Tuesday	II DC	III DC
Wednesday	III DC Real Analysis	
Thursday		III Dc Complex Analysis
Friday	III DC Complex Analysis

PERSONNEL COUNSELLING

ACTIVITIES OF COUNSELLING CELL-2022-2023 REPORT

Member teachers of the Counselling cell (Dr. Jubile SV Assistant Professor, Department of Commerce and Dr. Sini V, Assistant Professor, Department of Malayalam)has been doing counselling on a regular basis to the needy students. Since most of the students belong to economically poor backgrounds, students face a number of problems. With the help of class tutors , students who need counselling are identified and directed to member teachers of counselling cell.

Counselling cell of Sree Narayana College, Sivagiri, Varkala has organised a talk on ‘Controlling Triggered Mind’ on 22/03/2023 at 10.00 am in the College Conference hall. The keynote address was delivered by Ms. S Sulakshana, Clinical Psychologist and Consultant, ISRO, VSSC. She is an expert in clinical counselling and Psychiatry. She included various aspects in her talk like the brain organization in different stages of human life, the ways to stop the human behaviour of procrastinating, changes caused by smart phone addiction, the ways to cope with triggers and also about behavioural treatment.After the talk, students posed some questions related to the problems encountered by them and the ways for their effective management.
