

## Intellectual Property Rights Cell Report 2023-24

### Class On Patents And IPR

The first programme on patents in Industries and protection of Intellectual Property was handled by Dr.Vinod A S, Associate Professor of Commerce PG Department of Commerce, MG College. The programme was conducted in the seminar hall with students from PG Departments, Research scholars and degree students. The lecture cited many real world examples that emphasized the role of patents in IPR protection. Copyright infringement cases were also dealt with in his lecture. The students and faculty that attended the lecture engaged in proactive discussion with the resource person.

### Class on Patents and IPR by Dr. Vinod A S

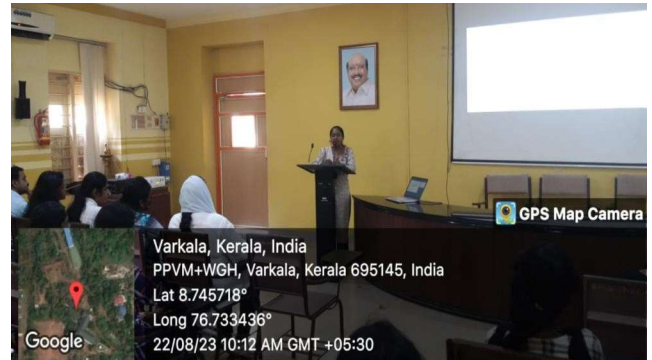

### Class on IPR Awareness

IPR Cell conducted a second special lecture of the academic year on the importance of intellectual property rights as part of the directive issued by the UGC to create awareness on IPR in academic institutions.
