Availability of students outside class for clarification , counseling , career guidance etc	96.45
His / her role as a mentor /motivator /guide /facilitator / counselor	99.6

On analysis of department level data on teacher evaluation, certain criteria needed improvement and special attention. Preparation for the class needed to be stepped up. Data also pointed to judicious attention required in another area of concern such as methodology used to impart knowledge use of blackboard, charts , teaching aids etc. These areas needed advancement and department took appropriate action for redressing the matter at the earliest.

feedback of faculty members
