Department of Physics, Sree Narayana College, ,Sivagiri,Varkala organized an Invited Talk supported by Department of Bio-Technology ,Govt.of India on 17/02/2021 at 10 am in the Conference Hall. Aiswarya Mol N.S.,the Co-ordinator for the programme welcomed the Resource Person for the Invited Talk. The resource person for the invited talk was Dr.Renjith.R, Assistant Professor of Physics, Central Polytechnic College, Vattiyookavu, Thiruvananthapuram. He gave an excellent talk on the topic “What do postulates of Quantum Mechanics tell us ?”.He explained the topic in a simple way by touching the fundamentals of Classical Mechanics and Quantum Mechanics. He motivated the students by asking them to read a lot of books related to Physics . The talk was very beneficial for the Undergraduate Physics students as “Quantum Mechanics “ is a very important paper in their Undergraduate Course. Faculty members present in the programme were Smt.Veenas.C.L (Assistant Professor, Dept. of Physics),Sri.Jyothish .B.(Assistant Professor, Dept. of Physics),Aiswarya Mol.N.S (Assistant Professor, Dept. of Physics), Dr.Raji.R (Assistant Professor, Dept. of Physics) and Smt.Parvathi.S.S.(Guest Lecturer). Students from II BSc Physics and I BSc Physics participated in the Invited Talk. The programme was concluded by vote of thanks by I BSc Physics student Varsha.
