

SREE NARAYANA COLLEGE, SIVAGIRI, VARKALA

DEPARTMENT OF ZOOLOGY

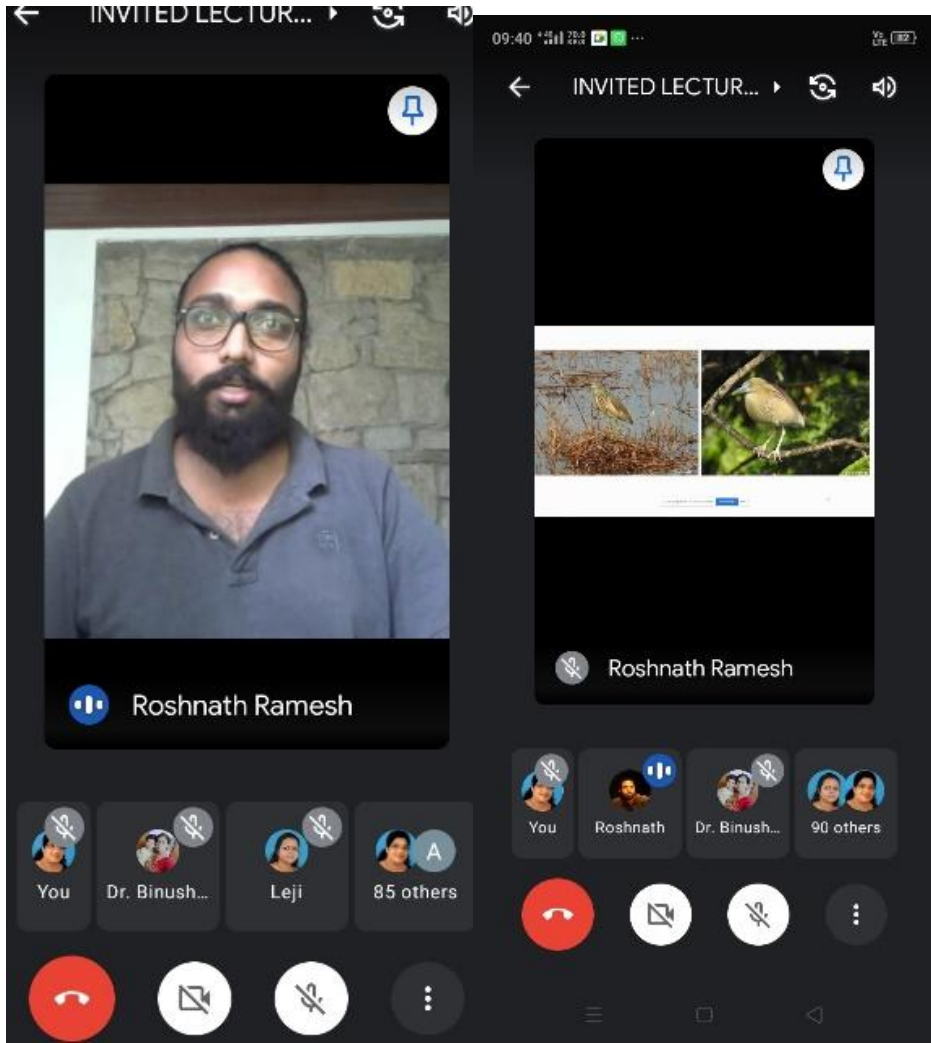

Detailed report 2020-2021

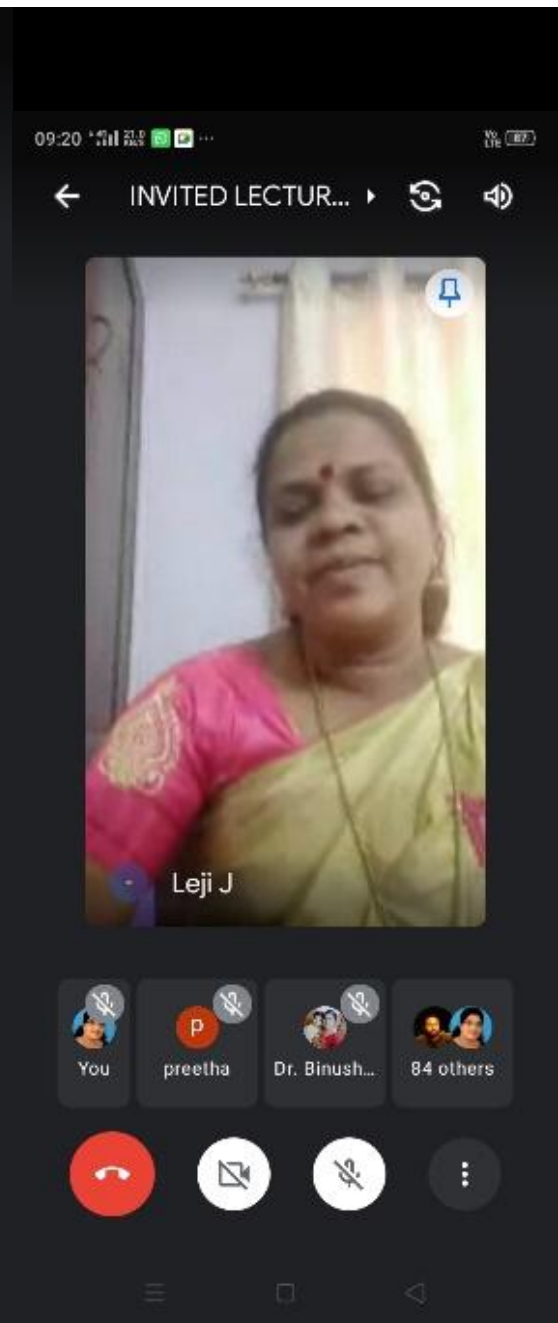

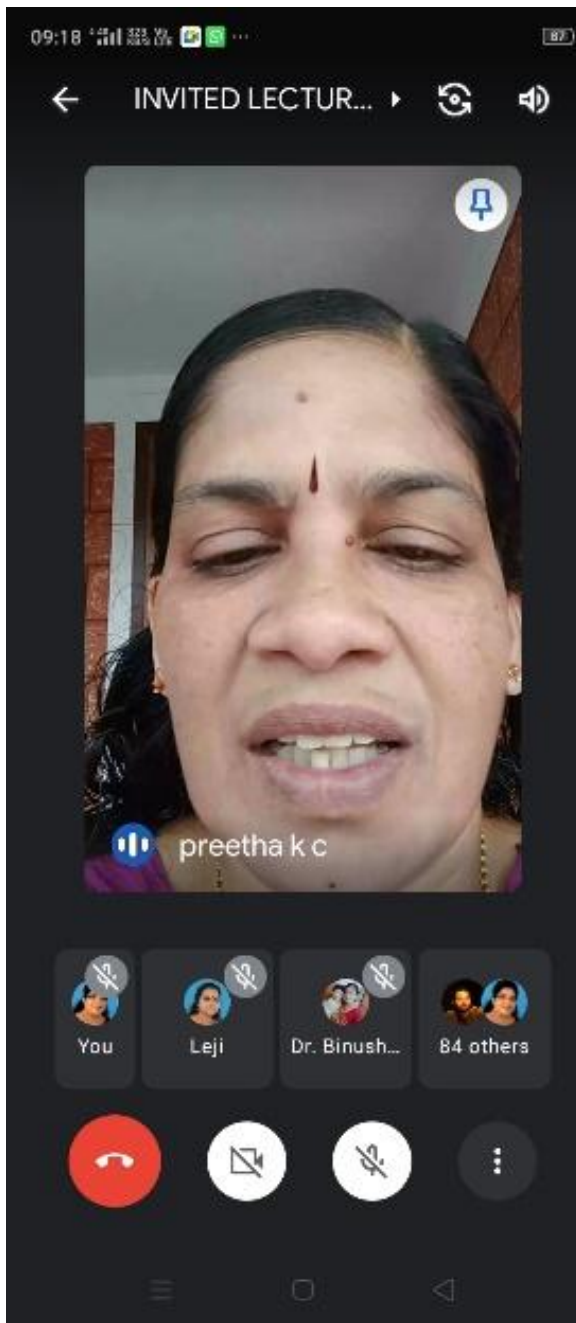

Report of invited talk on “Heronry Birds and Urbanisation”

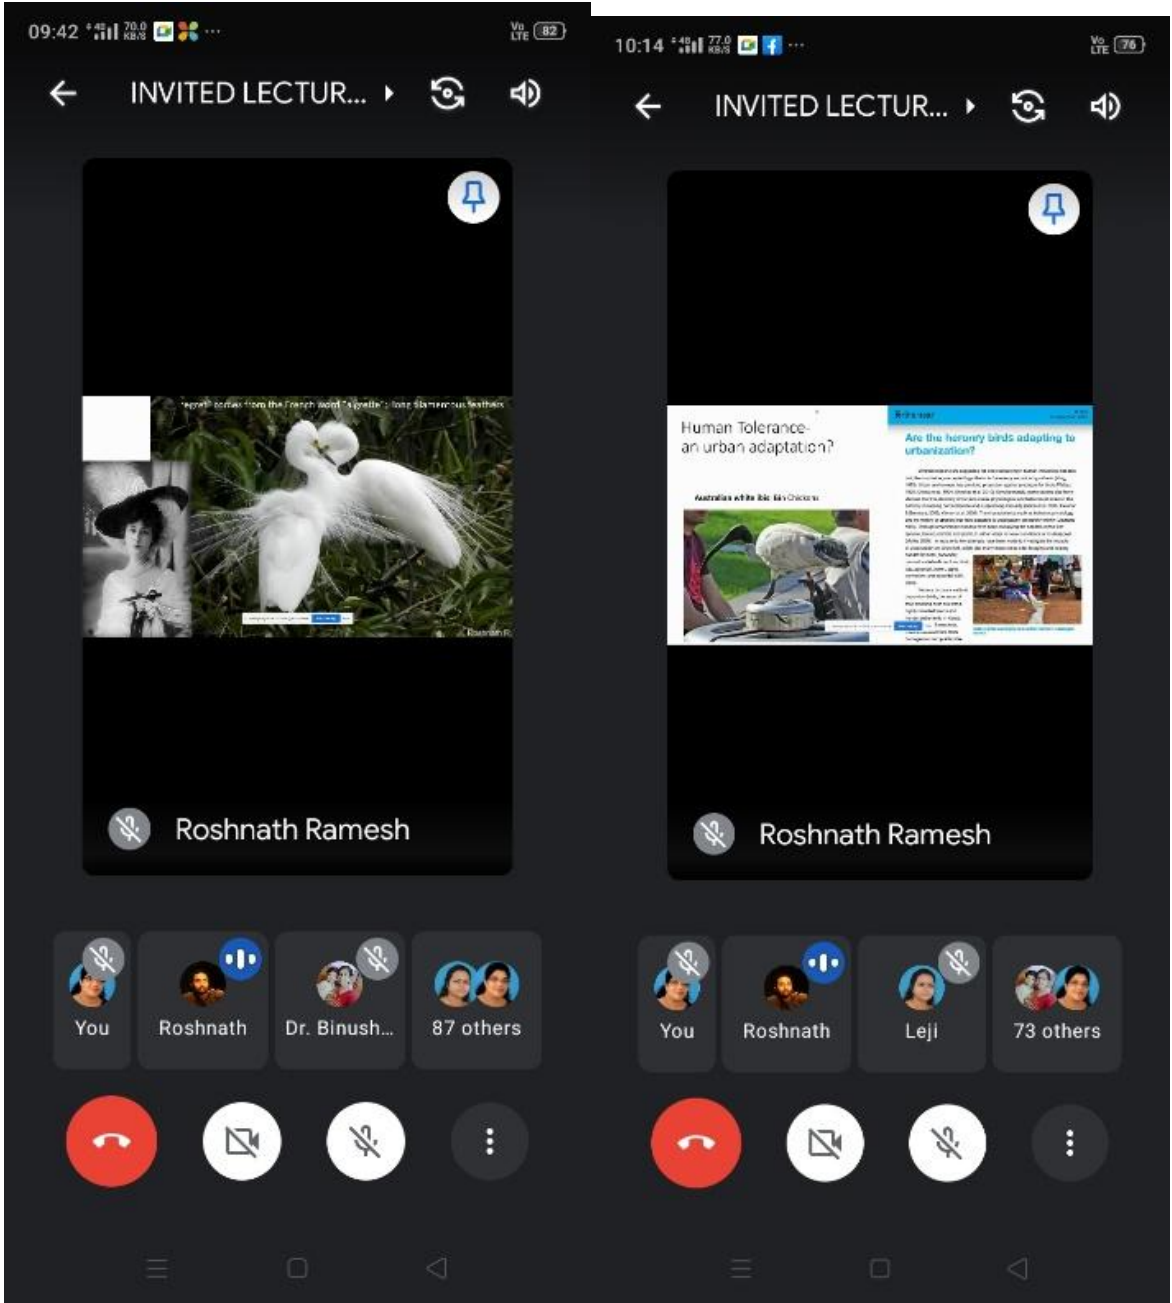

DBT Star college scheme supported UG Department of Zoology arranged an Invited lecture on ‘Heronry Birds and Urbanisation’. Lecture was conducted on 29th March 2021 for the benefit of the undergraduate students. Due to Covid-19 it was not possible to conduct an off line session. We arranged an online lecture using google meet. The program was arranged for two hours including a formal inaugural session, presentation and interaction.

The session started at 9.00 am. The brief inaugural session began with the prayer by Rubeena. R of third year BSc. Zoology. Dr. Babitha GS (Convener, Department of Zoology) formally delivered the welcome speech. Dr. K. C. Preetha, Principal, Sree Narayana College, Varkala delivered the official inaugural address. Sri. Roshnath. R, Secretary, Malabar Awareness and Rescue center for wildlife, Kannur was our resource person. He is a young eminent personality and environmentalist with a good profile.

Dr. Leji J. (Co-ordinator of DBT STAR College Scheme, HOD, Department of Zoology), offered felicitation to the session. The teachers from various departments, and committee members Ms. Preethi S and Dr. Binushma Raju (Assistant Professors, Department of Zoology), and the students of First year, Second year and final year Zoology participated in the online session on google meet. 92 participants attended the function. The class was really amazing and motivating. The talk on ‘Heronry Birds and Urbanisation’ touched areas like population ecology, climate and land use change, adaptation, anthropogenic impact, wild life conservation and impact of urbanization. The resource person also gave a clear cut idea about the scientific way of approach to the environment. He affirmed the role of observation in zoological studies. The students cleared their doubts and conveyed their observations to the resource person. Students got a really inspiring opportunity. Dr. Binushma Raju, Assistant Professor, Dept. of Zoology delivered the vote of thanks.
