Certificate Course Details

- **Course Outcome:** Skill Development
- **Duration:** 60 hours (3 months)
- **Fee:** Free of cost
- **Venue:** Room no. 75

Language Lab

Language lab will help students gather language skills in an easy and interactive way with the help of Language lab software. The students will be trained in each of the four language skills with the help of audios and visuals offered by the software. It offers the students a platform to study and experiment with real samples of the English language, to learn and exercise in its use. The lab is open for use to all students. Kindly contact the coordinators for more details.
