Workshop on Statistical application in biology- feb 11to 12 2016

Powerful and sophisticated statistical techniques planning and analysis of biological experiments and Investigation and development of probabilistic models have opened up new dimensions and capabilities in biological research. The tedious processes of biological data documentation and analysis have been made easier by the application of different software's . In this context department of zoology , Sree Narayana College, varkala organised two day national workshop on statistical application in biology in collaboration with the department of aquatic biology and fisheries university of kerala , sponsored by UGC New Delhi, on feb 11 to 12 2016. The workshop focussed on giving hands on training on two very popularly used software packages in handling biodiversity data documentation, SPSS and PRIMER.

The Workshop was inaugurated in simple but elegant way by lighting the Holy Lamp by Dr K. Satheesh Kumar , faculty department of future studies . Dr. Regi S. R., Head, Dept. of Zoology, also the Convener of the

Workshop welcomed the gathering. The meeting was presided over by the Principal, Dr. R.Raveendran, the key speaker addressed on the topic statistical era in science. Workshop were spread over two days with two technical sessions on the topics, “Basics of bio statistics” and “An Introduction to SPSS” and “Application of SPSS on biological science” . the workshop was participated 43 participants including internal and external students research scholars and faculty members.

Workshop on “Financial Planning For Young Investors”21st March, 2016

Investors Club was formed by the Dept of Commerce with the objective of making students aware about the need to start financial planning at the very young age itself. The aim of the club is to make the students knowledgeable regarding various investments avenues, the risk element involved and thereby guiding them to save and invest intelligently. The investors club was inaugurated by Dr.Dayanandan.M.N, SEBI Certified Financial education resource person and Retired Professor of Commerce. After the inaugural session a workshop entitled “Financial Planning among young investors” was conducted and actively participated by the students. The workshop was sponsored by SEBI and study material was provided to students. Feedback was also collected from the students.
