## **AWARENESS CLASS ON “SUBSTANCE ABUSE AMONG YOUTH: CAUSES AND PREVENTIVE MEASURES”**

**03/05/2021**

Nowadays drugs have become a parasite that destroys our society. Its harmful effects are visible around us through news and other Medias.

Youngsters and students are the one who get addicted to these. These harmful drugs are the sole reason for every atrocities happening in the present society. These will affect the person both physically and mentally.

In this situation, as the part of World Anti-drugs day on May 31, the NSS units of Sivagiri, SreeNarayana Collage made an awareness class in association with Substance Abuse Prevention Forum. The talk was led by Karunagapally Excise officer Mr.G.Prasannan. The class was about the impact of drugs and other materials on a person and the entire society. More over he talked about the laws and acts related to the selling of such drugs. The class was really very effective. He also cleared all the doubts asked by the students.

In addition to that, there were poster drawing competitions. BA Economics first year student Arya.S got the first place and second position was awarded for Akshaya Prasanth from Bcom HM.

## ANAEMIA AWARENESS CLASS

12/06/2021

The condition in which hemoglobin get decreased in the blood is known as anaemia. Blood loss, lack of red blood cell production, and high rate of red blood cell destruction are the major causes for anaemia. This is mostly caused when RBC production does not become equal as that of the amount of blood lost. This condition is most common among the teenagers especially girls.

So NSS units of Sivagiri, Sree Narayana College has organized an anaemia awareness class. Our Principal K.C.Preetha made an introductory speech and inaugurated the Programme. The class was led by Mrs.K.Geethu [MSc. Food and Nutrition], counselor of Department of Women and Child Development Centre, Varkala. Programmeme officers P.K.Sumesh and Veenas C L also made some talk. Welcome speech was delivered by B.Anamika and vote of thanks was delivered by Sukanya. All volunteers had actively participated in the Programme and also clarified all their doubts. This class was conducted online due to various situations.

## BLOOD DONATION OATH

14/06/2021

June 14 is celebrated as International Blood Donor day. The event was first conducted on 2005 as the joint initiative of World Health Organization, International Federation of Red Cross and Red Crescent Society as to raise awareness of the need of safe blood and blood products and to thank voluntary, unpaid blood donors for their life saving gifts of blood. This day is one of the 11 official global public health camping marked by the World Health Organization.

Due to the Covid 19 situation the usual activities during this day was not conducted. The chances for blood donation was very low during this period. So that all volunteers were requested to take the Blood donation oath at their home and to post its picture. All volunteers had actively participated in that Programmeme.

## SNEHASANTHWANAM

18/08/2021

There are many people in our society who are suffering from cancer, kidney disease and other serious diseases and are economically disadvantaged. "SNEHASANTHWANAM" is a project of NSS units of Sivagiri Sree Narayana College to help them. Funds collected by volunteers are distributed through this project. The said Programme has been implemented by the units since 2015. During the Covid period, the project could not be implemented very extensively. However, the project is going on in the academic session 2020-2021 and this academic year as well.

Rs.7000/- as the first medical aid for the academic year 2021-2022 was given to Mr. S. Rajendran, former temporary employee of the college. (S. Rajendran, Kankichivilakam, Perunguzhi). He is undergoing treatment due to severe cancer. Last year Rs 10000/- was given to him. The said assistance was given at his home by Programme Officer PK Sumesh and volunteers Sonand and Shankar.

## LEGAL AWARENESS CLASS

13/10/2021

Topic: "Protection of women in home and public"

The need for women's equality is highlighted in the Preamble of Indian constitution itself. Article 243 of the Constitution contains provisions to ensure equality of women in governing bodies. Although the constitution and laws provide equal opportunities and other rights to women, are often victims of exploitation and violence, protecting the dignity and pride of women is essential in a civilized democratic society. The very advanced Technologies we used for human progress are being misused to exploit women and children. In addition to the harassment women face in public places, such violations of their privacy are a violation

Violence against women can be dealt with under various sections of Indian Penal Code, Kerala Police Act and IT Act. But such knowledge is unknown to women and general public. In the situation that the NSS units of Sivagiri Sree Narayana College decided to conduct a legal awareness class on the topic of "Protection of women in Home Public".

Mr. Suresh Kumar, District judge of family court Attingal and chairman of Attingal Taluk legal service committee, conducted the class on 13th October 2021 in the conference hall. Principal Dr. KC. Preetha delivered the introductory speech. Maneebha, Anamika, Dipin Jyothi and Arjun Krishna, they are participated into this discussion. ## BEACH CLEANING

27/10/2021

The ocean is a vast body of water that covers 71% of the earth's surface. The oceans have a decisive influence on the diversity of climate cycles and the different locations of the earth. Science concludes that life originated on earth and in the sea. There is more biodiversity in the sea than on land.

Today man is polluting every corner of the globe in his efforts to increase his comfort. The oceans cannot be escape from this. The sea and beach are being polluted. In this situation the savings of purity of the sea is a serious matter. Varkala municipality is a local Self governing body that is very vigilant in this regard. Beach cleaning on 27<sup>th</sup> October 2021 Sivagiri Sree Narayana College NSS unit have been requested to Participate by Varkala Municipality. following the Said request NSS units participated in beach cleaning. ## NADEELULSAVAM 13/11/2021

It is said that one-fifth of the human diet comes from the food of rice that has been pierced with rice. Rice is the staple food of Keralites. Rice is also the most produced grain crop in Kerala. But the interest and enthusiasm of the Malayalees towards rice farming which they had in the old days is decreasing. The very existence of paddy fields has begun to deteriorate. This was due to the fact that rice cultivation was widely known to be unprofitable and people's work habits and interest decreased.

But then the government is planning various schemes to promote rice cultivation. Sivagiri Sree Narayana College NSS units focused on rice cultivation in order to inculcate interest in agriculture in the new generation and considering the positive attitude of the government. The Programme named "NADEELULSAVAM" was inaugurated by Cherunniyur Krishi Bhavan Officer Smt.Lekshmi Bhasi, Agriculture Office Assistant Smt.G. ## **Health Camp & Distribution of Health Cards**

**16/12/2021**

A Health camp for students was organized by NSS Unit, S.N.College Varkala in association with Taluk Hospital, Varkala at the College on 16/12/2021 at 10.00am and also distributed health cards.

### Aim

The Programme was organized when the college reopens after a break of one and a half year due to Covid-19 pandemic. Among students, Covid-19 affected students were also present. The main aim of the camp was to understand the post Covid-19 health conditions of Covid-19 affected students, the general health conditions of students also to understand if anybody needs more checkups and medical assistance. The health camp also aimed to distribute a health card regarding the current health status of students.

### Activities

The Programme was inaugurated by Dr.Biju B Nelson (Superintendent, Taluk Hospital Varkala) and presided over by Sri. P,K,Sumesh, (Programme Officer) Dr. Indu (Gynecologist, Taluk Hospital Varkala) delivered the felicitation address. Smt.Veenas.C.L (Programme Officer) delivered the welcome speech and Mis.Sukanya delivered the vote of thanks.

After the inaugural ceremony, check ups and counseling regarding the general health conditions and also regards to the specific health conditions of girls is conducted by Dr.Biju B Nelson and Dr.Indu. Along with it, a free blood group identification camp is also conducted.

### Evaluation

The main beneficiaries of the Programme was first year students. The second and third year students are on study leave and they missed out the Programme. But we got positive responses from those first year students and their parents.

privilege and experience that a NSS volunteer can attain. The special camp Programme was a 10 day residential camp from 1969 to 2009 and that is why it is called 'Dasadina Camp'. But later it changed to 'Sapthadina Camp'.

The feel of the camp is better when we arrange the camp with a well planned manner. There are lot of things need to be addressed regarding the successful completion of the camp such as where we can camp, what is the purpose of the camp, what are the activities in the camp, the preparation of the camp etc. An awareness class regarding this was conducted on 17 December 2021 through online mode at 7 pm. The class was presided over by Sri. P. K.Sumesh (Programme Officer) and the class was conducted by Sri. Prasoon Mangalath. Smt. Veenas C L (Programme officer) delivered the welcome address and Mis. Anamika (NSS volunteer) delivered vote of thanks. The resource person clarified the doubts of the volunteers. The Programme ended at 8.30 pm.

## **SUMMER TIME VEGETABLE AGRICULTURE INAUGURATION**

**24/02/2022**

Agriculture is the life blood of the country. Agriculture has always contributed greatly to the progress of the country. No matter what path development takes, the glory of agriculture does not despair. Because the food base is the third of the things that human need to live, agriculture is emphasized. Today vegetables and other food items are get poisoned. Fertilizers and chemicals used to keep vegetables from spoiling have made agriculture sector to be a poisoned one. Moreover, people are moving away from agriculture. When Youth societies are concentrating their mind into other jobs, so the significance of the agricultural sector is gone.

NSS units have decided to implement various agriculture projects in the campus with the help of Varkala 'Krishi Bhavan' to convince the students about the importance of agriculture and promote Organic vegetable farming in this special situation. One of them is "Summertime vegetable farming".

The inauguration of Summer Time vegetable agriculture where started on 24th February 2022 done by Dr. Premavalli. P, director of agriculture Varkala. Principal Dr. K C Preetha preserved to this function. ## KOITH ULSAVAM

22/03/2022

Agriculture was on the basis of India's wealth and culture. Regarding the people of Kerala, paddy cultivation was important, and farmers were the most respected then. Generation have passed away from here, showing interesting agriculture and living in agriculture. As the 20th century came agriculture gradually become less of ours. Someone will talk about the cultivation without coming the path and reap its fruits. But the Malayali is in a situation where he cannot smear mud on his body. As we moved away from the soil, disease we can too overtake. It is in this situation that the government has started providing various assistance to the farmer through Krishi Bhavan.

Saying to serious in a Sunday importance of the matter and intending to convince the news generation of the importance of agriculture, several years ago the NSS units of Sivagiri Sree Narayana College decided to cultivate paddy fields in Association with Chernniyoor Krishi Bhavan. The project, which is started in 2015, has continued and under root accepted during the covid pandemic.

One of the last stages of this year farming "Mundakan farming ,Koithu Utsav was inaugurated on 22nd March 2022 by principal Dr KCPreetha.Cherniyur Krishi Bhavan officer Smt.Lekshmi Bhasi, Professor T. **CHECKING OF QUALITY OF FOOD PRODUCTS AT ADOPTED  
VILLAGE  
25/03/2022**

Food is the third most important thing for human to live on. So it is very important to get good food. In the past years before the population explosion everybody used to produce their own required amount of food. But when the population explosion came up, the hardworking skills of humans got declined and more over it lead to the growth of marketing. Thus people started to buy food from outside no matter whether it is cooked or not and hence purity of the food products got diminished. Due to this health as well as lifespan of mankind got lowered and surrendered to various diseases.

The danger situation caused in this situation has been understood by the government as a result strong laws and rules were implemented by them. Food safety department and checking of the quality of the food products were the fruit if this discernment.

Sivagiri Sree Narayana Collage on March 25, 2022 in association with Food Safety Department, Varkala made a food quality test by focusing the day care at the adopted village. The Programme was inaugurated by Dr.R.P.Praveen, Officer Food Safety Department Varkala Circle at Government of Kerala. Programme officers P.K Sumesh and Veenas.C.L and the day care's teacher Mrs. T.G. sathy gave felicitations. Technical Assistant J.L.Ajitha Thomas, Lab Assistant Vinod.S.Nair, Office Assistant Prema, other volunteers DipinJyothi, Arjun Krishna, Kiran, Revathy, Maneebha, Sonand all gave the assistance for the quality check.

## **PALLIATIVE CARE ACTIVITIES 2021-2022**

### Palliative clubs of University of Kerala

There are lot of people in our society who are suffering from diseases and miseries. Formation of Palliative clubs in colleges is based on the importance of involvement in the difficulties of the people as part of our social commitment. These clubs are formed during the academic year 2019-2020. But due to Covid pandemic the Programme cannot be organized in proper way. During the 2020-2021 period, some initial activities are being organized in the college related to Palliative work and it is continued during 2021-2022 period.

### Palliative club in S N College, Varkala

There are palliative care initiatives in Sree Narayana College, Sivagiri as part of the NSS activities. As per the guidelines from the Kerala university NSS cell during 2020-21 academic year, Palliative club is formed in our college and works are done in a proper manner.

A palliative survey was conducted during the initial phase of the palliative work for the identification of eligible patients. The survey started on 22/01/2022 and it is located in around more than ten wards in Varkala Municipality. During this survey we can identify more than 12 patients from ten families. It seems to be very unfair that the two patients from two families needs palliative assistance.

Sree Narayana Collage Sivagiri, Varkala has two NSS units and a total of 200 NSS volunteers ready with their volunteering services. The sole aim of NSS is to understand the community in which they work, understand themselves in relation to their community, identify the needs and problems of the community and involve them in problem solving, develop among themselves a sense of social responsibility and to develop the personality and character of the student youth through voluntary community service. One such service is palliative care. Palliative care is a multidisciplinary approach to specialized Medicare care for people with illness. This focuses on providing people with relief from pain, physical stress and mental stress. The goal of palliative care is to improve quality of life for both person and his family. The

NSS units of Sree Narayana College, Sivagiri, Varkala, have an efficient and effective team of volunteers under palliative care wing. As the part of Palliative care Programme the National Service Scheme units of Sree Narayana Collage, Sivagiri, Varkala, conducted the following Programmemes for the year 2021-2022.

### ACTIVITIES UNDERTAKEN BY THE STUDENT PALLIATIVE CLUBS

#### 1. AWARENESS PROGRAMME

Palliative care is an approach that improves the quality of life of patients and their families facing life threatening illnesses. Our volunteers attended university level training and district level training conducted by University of Kerala.

##### a) University Level Training

Two volunteers from our NSS units participated in the university level training about palliative care conducted by University of Kerala in association with Pallium India from 01/11/2021 to 06/11/2021

##### b) District Level Training

Four volunteers from our NSS units participated in the university level training about palliative care conducted by University of Kerala in association with Pallium India from 07/11/2021 to 13/11/2021

#### 2. SURVEY

As the part of Palliative care Programmemes the National Service Scheme unit Palliative club of Sree Narayana Collage, Sivagiri, Varkala conducted a detailed survey at Municipality. Varkala Municipality consisted of 33 wards. The ward opted for the present study is Municipality of Varkala. Among the total 1464 houses of the municipality 60 houses were selected for survey. One of the main objectives of the survey was to explore the health status and health care service utilization of the community. The survey was conducted on 23/12/2021 and 02/02/2022. Thirty number of NSS volunteers were grouped into five groups comprising of six in each group. Each team collected an average of 24 questionnaires during a time span of 10 am to 3pm. Personal interview was used to collect data and recordings were done on the
