PG DEPARTMENT OF CHEMISTRY

DBT Star Supported Invited Talk on the Topic 'Opportunities in Chemistry' Organised by Chemistry Association

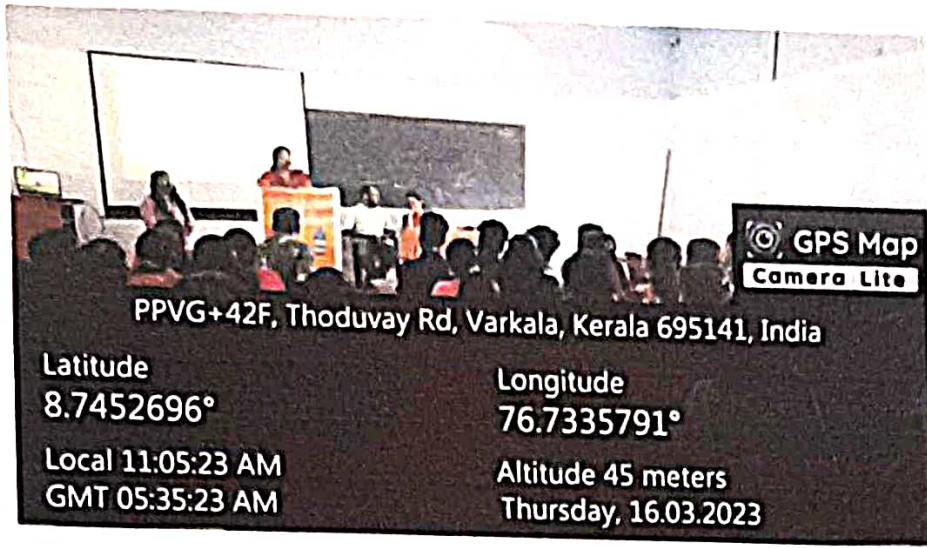

Chemistry Association organised an invited talk on the topic Opportunities in Chemistry on 16th March 2023. The programme focused to make students aware of various opportunities before them. Graduate and Post graduate students gathered at room no 35 for taking part in the programme at 11am. Programme commenced at 11am. The dignitaries in the dias were our Principal Dr.K.C Preetha, chief guest Dr. Syam S.Nair, Assistant Professor, Sree Keralavarma College, Thrissur and Head of the Department Dr. Archana S.

Head of the department of Chemistry Dr.Archana S.R delivered the welcome speech. Our respected principal Dr. K.C Preetha inaugurated the program followed by the speech of invited Guest Dr.Syam S Nair. He interacted with the students. Students shared their experience regarding examinations and college life. He shared the real life experiences of eminent scientists in chemistry and told students how to utilise the resources available for them to achieve their goal. He also explained various tips to memorise the tough topics. He explained with real life experiences that how determination helps one to achieve their goal. Then he discussed various opportunities for higher studies and for job in reputed institutions. He ensured the students that their standard of living and social acceptance will be improved while securing a job. The students are highly motivated by the speech. Our IV semester student Amritha Vijayan who has several achievements in Karatte and got selection in khelo India was felicitated by the association. Our principal gave cash prize to her as a token of love. Chemistry association coordinator Smt Saritha S.J said the vote of thanks. The program was concluded at 12.45 pm.
