A National Webinar on 'Overview of Intellectual Property rights' was conducted by the IQAC, SNC, Varkala, on 9th October, 2020. Welcome address was delivered by Dr. Soju.S, IQAC Coordinator. Dr.KC Preetha, Principal, Sree Narayana College, Varkala delivered the inaugural address and the function was attended by 90 participants. Ms.Parvathy Prasannan, Attorney & Senior Associate, Puthran Associates, IPR Attorneys Chennai was the resource person. The class was very much informative to the students and helped them to attain an awareness regarding the different concepts on IPR, and its objective. The primary objective of an Intellectual Property Rights is to encourage inventions by promoting their protection and utilization so as to contribute to the development of Industries, which in turn contributes to the promotion of technological innovation and to the transfer and dissemination of technology. And Various forms Of Intellectual Property. And Patent. Patent is a monopoly right given by the government to an inventor for a period of twenty years. Once granted, a patent gives the inventor the right to exclude others from making, using, selling, importing or offering for a sale of the inventor's invention for the duration specified in the terms of patent. After twenty years the patent falls under public domain there after anyone can use the invention without permission from patentee. Invention can be any new article, composition of matter, machine, process or any new value addition to the above said. Vote of Thanks was delivered by Sri.Sajesh Sasidaran, Programme Coordinator
