

Scholar Support Programme

Sree Narayana College, Sivagiri, Varkala

Activity Report 2016-17

The SSP is a programme launched by the Govt. of Kerala in the Govt. of Arts and Science College during 2013-2014. The Directorate of Collegiate education is implementing the programme.

Sree Narayana College, Varkala received aid in the form of fund from the Department of Collegiate Education consecutively for the third year. As per the guidelines provided by the office of the Collegiate Education students from both arts and science stream of the College were identified as the first step.

As per the order No. 3162/SSP/2016 dated 18/11/2018 the College has been allotted Rs.225500/- for conducting SSP programme during the Academic year 2016-2017. The College council decided to appoint Smt. Namitha K Bhat (Assistant Professor, SN College, Sivagiri, Varkala) as the Co-ordinator of SSP of 2016-2017. For the previous two years students from various departments were included in the programme and further students from 5 departments were selected for this academic year. The selection of the students was done on the basis of their performance in Higher Secondary level or last university exams. The Departments identified for the conduct of SSP included Economics, History, Zoology, Physics, Geology, Mathematics, Commerce, and Chemistry. These departments were identified for conduct of classes for core subjects, English as compulsory course for first and second year and Statistics as complementary course of Mathematics Department. For the smooth conduct of the classes time table was prepared with the consent from the respective resource persons from the College. The classes were scheduled during the middle and last week of the semesters so that the needy students could gain maximum knowledge regarding the subjects. English was included in this academic year, not as a core subject but as an optional course for those students who were not able to do well in the university examinations in the first and second year.

Details on Internal Mentoring

As part of internal mentoring 15 teachers from various departments were appointed to take classes for those students who were found weak in different subjects. 50 students each from I UG, II UG and III UG were chosen as mentees.

Following teachers were appointed as internal mentors for various subjects for the Programme for different semesters:

Sessions on External Mentoring

During this academic year, two External Mentoring sessions were included in the Programme. As per the request from the students a general class on motivation and career guidance was incorporated in the first session. The class was handled by Mr. Prince Varghese, Trainer Mind it Mind Solutions, Kottayam. He detailed the class with importance of goals in life and steps needed for the achievement of those goals. The class also included a meditation session which helped the students to relax their mind. Second session was handled by Dr. Deepa Prasad, Assistant Professor, Dept. of English, University College, Trivandrum. She took class on fundamentals of English language and the usage of English Grammar. The class was very communicative and the students were enlightened with ways to make the language easier.

For the Programme library books which included general knowledge, fiction, nonfiction, short stories, subject related books etc were purchased. For this separate books register (including last years' book purchase) as well as issue register is maintained by the coordinator. The students were also provided with Stationary Kit which included a note book and a pen.
