The analysis of faculty feedback revealed that the criteria like Use of modern technology like ICT,curricular and extra curricular activities, Job oriented education are the criteria where teachers have to give special attention. Teachers should also pay attention to evaluate test papers and assignments, and also to give effective advice both curricular and extra-curricular. The analysis validated two important areas that required main attention, namely kind attention to weaker students and timely doubt clearance. The matter was given due importance and remedial classes were commenced without further delay. Students were also encouraged to visit department teachers during classes as well as free hours, if needed, to clarify doubts on a daily basis.
