

## FEEDBACK ANALYSIS AND ACTION TAKEN REPORT 2022-2023

2022-2023 (2022 Admission)

### Faculty Evaluation

Feedback collected from first year B.Sc Zoology students revealed that the criteria like preparing students for higher degree, use of ICT are the criteria were teachers have to give special attention. Teachers should also give importance in using modern technology and include job-oriented classes. Teachers should focus on curricular and extracurricular activities. Students give positive response on criteria like subject knowledge, communication skill, punctuality and dedication of faculty. The matter was given due importance and remedial classes were commenced without further delay. Students are also encouraged to visit department teachers to clarify doubts.

### Curriculum Evaluation

Curriculum feedback collected from first year B.Sc Zoology, it is recognized that depth of the syllabus, learning values and relevance of library material and catering student needs in relation to the curriculum need to be improved. The analysed data discussed in department meeting. To take necessary steps for the improvement of curriculum, it is decided to report the matter to the Board of studies.

### Department Evaluation

Details collected from first year B.Sc Zoology regarding our department we reached a conclusion that Library facility, Laboratory facility and Classroom Facility need special attention. We discussed the matter in the department are trying to solve the issues with the help of Principal and Management to take appropriate steps to improve the facilities. We take app

ropriate steps to improve the facilities. Department has taken appropriate steps and authorized the teachers to adhere to the action plan of department for improvement in concerned criteria. From DBT fund the department furnished a smart classroom.

### Parent Feedback Evaluation

From the analysis, criteria like library facility, achievements and outcomes of the student and placement need special attention. We discussed the matter in the department are trying to solve the issues with the help of Principal and Management to take appropriate steps to improve the facilities.

## FEEDBACK ANALYSIS AND ACTION TAKEN REPORT 2022-2023

(2021 Admission)

### Faculty Evaluation

Feedback gathered from second-year B.Sc. Zoology students highlights areas requiring special attention from teachers, including preparing students for higher degrees, and integrating ICT into teaching methods. Emphasizing the use of modern technology and incorporating job-oriented classes is essential. Furthermore, focusing on both curricular and extracurricular activities is crucial. Positive student responses are noted in areas such as faculty subject knowledge, communication skills, punctuality, and dedication. Remedial classes have been promptly initiated, and students are encouraged to consult with department teachers for clarification.

### Curriculum Evaluation

Feedback on the second-year B.Sc. Zoology curriculum underscores the need to enhance syllabus depth, learning values, and the relevance of library resources to cater to student needs effectively. Following analysis and discussion within the department, it has been decided to address these concerns by reporting them to the Board of Studies for necessary action.

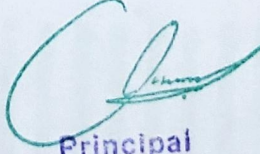

### Department Evaluation

Upon reviewing feedback from second-year B.Sc. Zoology students, it has been identified that special attention is required for improving Library, Laboratory, and Classroom facilities. The department is actively working to resolve these issues in collaboration with the Principal and Management, and appropriate steps are being taken. Additionally, teachers have been authorized to adhere to the department's action plan for improvement, and a smart classroom has been established using funds from the DBT.

### Parent Feedback Evaluation

Analysis indicates that areas such as library facilities, student achievements, and placement outcomes require special attention based on parent feedback. The department is actively addressing these concerns with the support of the Principal and Management to enhance facilities and overall outcomes.
